Guest Login Retrieve PIN

Prospective students and visitors can browse our online schedule of courses as **Guests**. Click on the Guest button above to browse our schedule, find out what courses we offer, when and where the courses are offered, who teaches those courses, etc. Guests cannot register online for courses or add/drop courses online - these online services are only available to current students.

Important: MyCSI logins are different for **prospective/returning students, current students and employees**. Please read carefully and follow the login instructions below before contacting tech support. A prospective student's status automatically changes to current student status as soon as he or she registers for one **credit** course.
